ARIZONA CORRECTIONAL INDUSTRIES

A DIVISION OF ARIZONA DEPARTMENT OF CORRECTIONS

MISSION

- ☐ To make available within the state correctional institutions opportunities for employment of inmates in jobs which combat idleness and develop good working habits.
- ☐ To provide training and work experience that will assist inmates in eventually securing and holding gainful employment outside the correctional institution.
- ☐ To reduce the cost to society of maintaining an inmate through the sale of inmate-produced goods and services and by requiring and enabling inmates to pay some portion of their room and board costs.
- ☐ To require and enable inmates to make restitution to the victims of their offenses, so as to assist the inmates in accepting responsibility for the consequences of their acts.
- ☐ To require and enable inmates to provide assistance to their dependents thus tending to strengthen family ties.
- ☐ To require and enable inmates to accumulate savings for their eventual return to the community.

VISION

ACI's compelling vision is to maintain its momentum of successfully accomplishing legislative and departmental objectives while integrating and balancing strategic plans with the necessity to be a purely "customer driven" organization that serves all of its customers as a quantifiable value-added partner.

BEDDING PRODUCTS

From our bedding factory, Arizona Correctional Industries produces mattresses, pillows, blankets, duffel bags, laundry bags, and web belts.

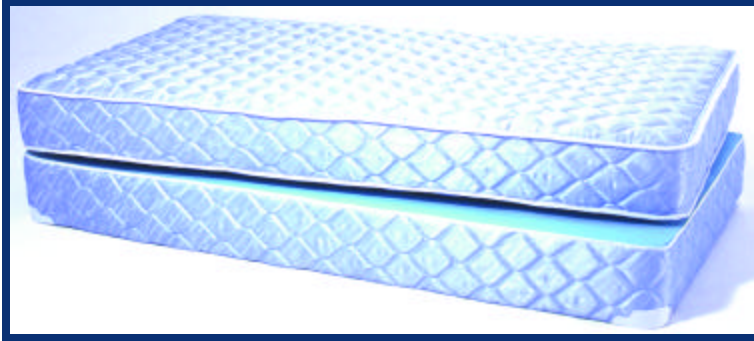

ACI's bedding products are well suited for environments other than institutional. Shelters, hospices and camps can take advantage of the features offered by ACI. The durability, safety, and easy maintenance are features most appropriate for these applications. Contact your ACI sales representative for additional details.

BEDDING PRODUCTS

Home and Hotel Bedding

ACI produces two lines of mattresses and box springs that are designed and constructed for years of reliable service. Each series is competitively priced without compromising quality or comfort.

Majestic Comfort Series

The upgraded Majestic line has the 312 coil, 13 gauge innerspring and includes an insulator pad on each side in addition to a 2" layer of fire-retardant polyfoam on both sides. A damask quilted covering comes on both mattress and 81 coil, 10 gauge steel unit box spring.

Sizes Available
